Opened in 2012 with a focus on Family, great locally-produced food and craft beer.

Notorious Burgers was started by husband and wife - Julie and Brian Gruber. Together they have delivered unique well-favored menu items while supporting local craft breweries in San Diego. Notorious Burgers proudly distributes local craft beer paired with one-of-a-kind gourmet burgers and more.

The restaurant has a fun mobster prohibition-themed environment which leads to the creative names of entrees such as the "GAMBINO'S BROKEN LEG OF LAMB" burger and the "PHILLY MOB" sandwich.

*Voted San Diego's Best Burger*
